

Release of Liability and Assumption of Risk

In consideration for entering into this Client Agreement with Bacera International, I release Bacera International from all liability and waive my right to sue Bacera International in regards to any all claims, including claims of Bacera International's negligence, resulting in financial loss I may suffer because of my participation in the over-the-counter CFD market. I am aware of the risks involved in CFD trading and trading over-the-counter contracts in general, which may include the loss of my entire investment. Nonetheless, I assume all related risks, both known or unknown to me, of my participation in the over-the-counter CFD market and this Client Agreement entered with Bacera International. I agree to hold Bacera International not accountable for any losses that may have occurred or may occur on my trading account as a result of my participation in the over-the-counter CFD market.

By signing this agreement, I hereby waive my right to sue Bacera International in a court of law. Any controversy or dispute between myself and Bacera International, including but not exclusive to issues relating to my account with Bacera International and financial losses I may incur, shall be resolved by arbitration solely between myself and Bacera International. Any decision rendered in such arbitration shall be final and binding.
